Certified: Devices has been tested by Salient.

Supported by common interface: Device shares a common programming interface (API) as other certified device models but has not been tested by Salient. Please contact Salient for additional details.

PTZ camera support: All cameras marked as “PTZ IP Camera” in the “DEVICE TYPE” list are controllable in CompleteView.

*This camera is integrated via CompleteView’s generic camera driver. Call Salient Support at 512-617-4800 for configuration instructions.
