

Entry Level

POWERCHOICE

Salient's PowerChoice is built to last. Long-term reliability coupled with enhanced memory and storage capacity, this mini-tower unit fits any physical environment. Engineered for the rigors of continuous duty operations in video surveillance, and using best-in-class components, PowerChoice offers the perfect balance in value and performance. Easy access to system components provides for faster service, upgrades and a new, highly efficient power supply that minimizes energy consumption.

FEATURES

Record, live view, playback, archive video

Hybrid NVR for analog (max 32 channels) and IP cameras

Small Form Factor

POWERCHOICE
