

Entry Level

POWERMICRO

Salient's PowerMicro is designed to address space-constrained deployments as one of Salient's smallest form factors in the PowerProtect platform line. Measuring 7.2 x 7 x 1.4, the PowerMicro weighs 2.6 lbs and can be placed discreetly on a desktop, mounted under a counter or secured to a video monitor. Powered by an Intel Core i3 series, 4 GB memory and a 1TB hard drive, the PowerMicro is engineered for the rigors of video surveillance applications and offers a unique hardware solution where available space is at a premium.

FEATURES

Record live view, playback, archive video

NVR for IP cameras

Ultra space saving form factor and a complete range of custom mounts

POWERMICRO
